### **Our 67<sup>th</sup> Annual Flower Show, “Falling Leaves and Autumn Breeze,” is over!**

Thanks to the tireless efforts of our Committees, both Flower Shows were a success despite the challenges of 2020. Our great TEAM was composed of Federation members, Judges, community participants, Scouts and Scouters, Home Schoolers, Sam's Club manager, Designers, Plant exhibitors, and Photographers. The Alabama National Fair and Coliseum teams and The Kiwanis Club of Montgomery enabled us to have a safe venue to hold this historic show. Together, we made it! Many thanks to all of you for your support, thoughts and prayers that helped us make it through the tough times in uncertainty.

This year's show was dedicated to the memory of Dot McGilvray, a Federation member for over 50 years of the 91 years of the Montgomery Federation of Garden Clubs' existence. Her love of Design and Horticulture was a true inspiration to others who continue her legacy.

**24 Designs, 484 Horticulture specimens including 5 Youth entries, 4 Educational Displays, 94 Adult Photography entries, and 15 Youth Photography entries**

Thank you, my friends; I am truly grateful.

June Cyrus 2020 General Flower Show Chairman
