A word from Our President,

Spring is here and it has been beautiful so far. I am so happy that many of you took time to attend the GCA Convention in Opelika, Alabama on April 14-16. We had a blast learning, eating and visiting with our many friends from across the state. Shout out to the **Convention Co-Chairs, Rose Winkler and June Cyrus**, they did a fantastic job this year. I know everyone is busy planting and cleaning up their yards and gardens. Remember when you are planting this year to put some plants in for the pollinator and then apply online at the National Garden Clubs website to register your garden as a Pollinator Garden.

I will leave you with this inspiration:

Kathy

Contest winners:
